

# POLYCARBONATE TANK WITH CUSTOM CUT LID

Clamp your immersion circulator to one of these cost-effective polycarbonate tanks to create a stirred Sous Vide water bath.

These robust containers made from polycarbonate and are suitable for temperatures from  $-40^{\circ}\text{C}$  to  $+100^{\circ}\text{C}$ . When in use, they remain cool enough to touch and have a carry lip which aids efficient handling. They are both non-stick and dishwasher-safe. Easy to clean.
